

# HAPPY FROG (FROGGY) WHITEPAPER

Version 1.0 – June 2026

## Executive Summary

Happy Frog is a community-driven meme cryptocurrency built around one simple idea: great communities create great movements. FROGGY combines internet culture, long-term community growth, and a phased token launch designed to reward early supporters while building a sustainable ecosystem.

## The Story

In a world filled with endless meme tokens, Happy Frog was born from a small pond with a big dream. Rather than chasing short-term hype, FROGGY aims to create a recognizable brand, a loyal community, and a long-lasting ecosystem where every holder becomes part of the journey.

## Vision

To build one of the most recognizable frog communities in crypto while creating a fun, transparent, and community-powered ecosystem that can continue evolving for years.

## Mission

Reward early believers, grow a strong global community, and develop opportunities that extend far beyond the initial presale.

# Token Overview

Token Name: FROGGY

Brand: Happy Frog

Total Supply: 180,000,000,000 FROGGY

Blockchain: To be announced

Utility: Community participation, ecosystem access, future integrations and rewards.

## Presale Philosophy

The presale is divided into phases with increasing prices. Early participants receive more tokens, encouraging community growth from the beginning while maintaining a structured launch process.

## Roadmap

Phase 1: Pond Discovery Phase 2: Presale Season Phase 3: Community Explosion Phase 4: Ecosystem Growth Phase 5: Market Expansion Phase 6: The Future Is Green

## **Community First**

Happy Frog is built around the belief that community is the most valuable asset in any successful meme project. Marketing, partnerships, events, contests, and ecosystem decisions will always prioritize community growth.

## **Security & Transparency**

The project aims to maintain transparent communication with holders through official channels. Security reviews, contract information, and major project updates will be shared whenever available.

## **Long-Term Development**

FROGGY is intended to evolve beyond the presale through ecosystem development, partnerships, community initiatives, and additional opportunities that strengthen the project over time.
